

Chautauqua Institution

is a community on the shores of Chautauqua Lake in southwestern New York state that comes alive each summer with a unique mix of fine and performing arts, lectures, interfaith worship and programs, and recreational activities. Over the course of nine weeks, more than 100,000 visitors will stay at Chautauqua and participate in programs, classes and community events for all ages—all within the beautiful setting of a historic lakeside village.

Internet Access

Please see reverse side for **Wi-Fi Hotspot** locations.

The Smith Memorial Library offers public access internet computers. In addition, Wi-Fi is also available in many areas around the grounds.

Tram and Buses

Please see the **Tram and Buses Guide** for route information, available at the **Main Gate Welcome Center** and **Visitors Center**.

The Institution provides complimentary, regularly scheduled shuttle bus and tram service on the grounds during the season.

Handicap Assistance

Wheelchair / Scooter Rentals • 716.357.6250

We work very hard to accommodate accessibility needs by offering a number of options to help:

- Park in the large section of the Main Parking Lot reserved for those with disabilities. You will need a state-issued handicap parking permit to park in this area. You must then cross the highway where you can board a bus or tram to your destination.
- Enter the grounds using a 20-minute “handicap drop off” pass. These passes are available at the Main Gate automobile entrance, just north of the Main Gate Welcome Center. After all passengers with disabilities are dropped off, the vehicle must be parked in the Main Parking Lot.
- Electric scooters may be rented/registered at the Main Gate Welcome Center. Wheelchairs are also available for rent. Wheelchairs are rented on a first-come basis.
- For further handicap assistance, please visit the Main Gate Welcome Center upon arrival and request the assistance of a supervisor.
