A Word from Our President...

Greetings!

If you are like me, you are bursting at the seams with excitement for another CHQ season at your favorite "happy place." Thoughts of friends, family, porches, boating, club, grandchildren, gladiolus, lectures, and performances are swirling in every corner of

your mind! After 32 summers- I can attest this happens every Spring.

We look forward to reuniting with you soon! Please mark your calendar for our Annual Season's Greetings reception for members under the tent on Thursday, July 6th, at 4:30pm (free of charge).

My focus is to highlight CWC's steadfast commitment to lifelong learning (past and present). As thought leaders, Chautauquans understand that lifelong learning is essential to personal growth. It broadens our perspective and enriches our lives, and in turn, those around us. CWC's programming positively impacts society and helps create more informed, empathetic, and engaged citizens- that's you!

The 2023 season has a full schedule of learning possibilities! From our thought-provoking Contemporary Issues Forum (CIF) lectures on Saturdays at 3pm (new time) at the Hall of Philosophy, to our Chautauqua Speaks with interesting community members on Tuesdays at 9:15am (new date), to our intimate Chautauqua In-Depth conversations with AMP speakers on Thursday mornings at 9:15 am at the CWC House (new date, time, and name), to inspirational musical programs on Dolly Parton, Aretha Franklin, and Ukrainian Resistance.

Another highlight is our new relationship with Magee Womens Health, the largest research institute in the U.S. dedicated to women's health and top in the world! Stay tuned for more information!

This summer, due to cutbacks in Institutional CIF programming support, we are offering new ways to engage in our mission of lifelong learning through our CIF Sponsorship program! We are proud of our programming contributions to the CHQ community, and I hope you are too!

Lastly, we are thrilled to welcome two new House staff members, launch our new website on June 1st, and offer a great calendar of events and programs for you to enjoy!

See you soon!

"The Chautauqua Women's Club provides innovative programming, dynamic events, leadership opportunities for women, and life-changing scholarships for students."

A Word About Scholarship...

The Chautauqua Women's Club provides life changing scholarships for students participating in the Schools of Performing and Visual Arts each season. Last year, through the generosity of our loyal donors and new donors, we contributed **\$45,000** to scholarships and supported **25** students across all disciplines!

Below are some excerpts from the many thank you notes we received from our CWC scholarship recipients last season:

"I would like to humbly thank the CHQ Women's Club for my scholarship. This has been my first time at CHQ, and it has been nothing short of life-changing. The support of the community here is unlike anything I've ever experienced and the Piano Program is so blessed to have folks like you to make this opportunity possible for students like me."

"The scholarship I received made it possible for me to make immense strides in my musical development. I also made many new friends and lasting memories in this wonderfully enriching environment."

"I can't thank you enough for providing this opportunity for me. This summer has been such an enriching experience and I know that my technique and artistry have greatly improved throughout my time here. These are things I will take home with me to remember throughout my painting career."

"Thank you so much for the scholarship! The teachers are amazing, the company is wonderful, and the lake is splendid. I feel I have greatly improved as both a dancer and a person."

Artists at the Market donate 25% of their proceeds to our scholarship fund. Stop by the building near the main gate to view and purchase their unique hand-crafted items on Wed and Thurs 1-4pm and on Sun 12-4pm.

YOUR support makes it possible for these talented students to follow their passion and realize their dreams!

THANK YOU!

THANK YOU!!

THANK YOU!!!

With my deepest gratitude to all of our donors,

Sharon McClymonds, CWC Scholarship Chair

Join, Renew, or Upgrade Your Membership!

It's that time of year when we welcome new members, ask current annual members to renew, and encourage all to consider becoming Life Members.

Membership dues play an important part in allowing us to offer the types of programs and activities that makes CWC "the heartbeat of Chautauqua." Members receive regular communication about activities and special events, letting us stay connected not only during the season but also year-round.

The annual membership year runs from May 1 to April 30. The 2023-24 annual dues have been set at \$40.

For those wanting to make an even deeper commitment, we invite you to join as a Life Member. The one-time dues for Life Membership remain at \$350 for the 2023-24 year. An increase to \$400 is planned for the 2024-25 year, so now is the perfect time to upgrade. New Life Members will receive a complimentary invitation to our Life Member Luncheon on Sunday, July 16th at the Athenaeum Hotel.

Every member is important to our mission. Please take a moment to join, renew or upgrade to a Life Membership on the website, chautauquawomensclub.org, or using the form included in this newsletter.

Your membership and participation ensures CWC's vitality. Thank you!

Life Member Luncheon "Hats Off to You!"

Sunday, July 16th 12:30pm
Athenaeum Parlor, \$55 per person

This year's Life Member Luncheon will celebrate the rich legacy of the Chautauqua Women's Club and its influence in the Chautauqua community.

Kelly Boyce Himebaugh, CWC president, will share highlights of the 2023 season and the role CWC plays in strengthening the Chautauqua experience for all. The luncheon will be an opportunity to welcome new Life Members and say "Hats Off" to all Life Members who play such an important role in CWC.

To add some excitement to the event, we invite everyone to wear a fun or fancy hat. We'll laugh, share stories, and enjoy our time together as Life Members.

Our special celebration will include a three-course seated luncheon -- salad, main course, and dessert. The meal options are Grilled Salmon, Garlic Roasted Sirloin, or Vegetarian Rice Bowl. You may register and indicate your menu selections through the CWC website starting on June 1st.

New Life Members who joined since our last celebration (July 17, 2022) are invited to attend as complimentary guests.

Flea Boutique

**Sundays, Wednesdays & Fridays: 12-2pm
(Behind the Colonnade)**

Last year the Flea Boutique had a banner sales year. Adding the proceeds of our tent sale at the House to our Flea Boutique sales, our revenue totaled \$50,000. This year, we hope to match that sales record but in a slightly different way. Instead of our large tent sale, we'll be highlighting some Sundays when special merchandise will be featured.

We can't do it without you! If you have items to dispose of, please think of CWC's Flea Boutique. There will be information on the Grapevine as to when donations will be accepted pre-season. Donations are accepted during the season (Sundays, Wednesdays & Fridays from 12 -2pm) beginning on opening day, July 5th. Need to part with something wonderful right away? Please give CHQ resident and CWC member Liz Kolken a call at 716-491-7208 and she will help you.

What merchandise sells the best? The simple answer is: clean and in good working or wearing condition. In recent years our clothing sales revenue has more than doubled reflecting national sales of gently used clothing. Women, teen, and children's clothing are our best sellers, along with shoes and accessories. Jewelry is always welcomed!

In the main room, household items including decorative accessories, dishes, silverware, pots and pans and lamps are needed. Books, puzzles, games and crafts sell well, along with our featured art and antique merchandise. Due to limited space, we are unable to accept furniture, bedding, dog crates, used cat items, inflatable boats, water skis, and golf clubs.

I'd like to extend a thank you to the many CWC members who help at the Flea Boutique, especially Judy Williams who manages the Clothing Room; Diane Hess, Flea Boutique Co-Chairman; and Liz Kolken, who watches over the Flea Boutique off-season. If you would like to join us at the Flea Boutique please email me at gailgamble1@gmail.com. We'd love to have you!

Sincerely,

Gail Gamble

A Journey Through the Life and Legacy of Dolly Parton

Tuesday, July 25th 6:30pm (CWC House) \$75 pp

One of the most beloved and multi-talented vocal artists of all time, Dolly Parton is an icon of Country Western music who rose to become a superstar of American pop culture. Composer/Producer EDWARD BARNES explores the life, artistry and business skills of this brightly spirited lady who turned her humble beginnings into an entertainment empire. Using vintage video and audio clips, along with projected visuals of her life and music, Edward traces Dolly's path as she sings and writes her way from the backwoods of the Appalachian Mountains to Nashville, Broadway, Hollywood, and the White House. Discover the joy, generosity, and smarts behind one of the world's most popular entertainers, and find out why, as she sang in her hit song from 1966, "this dumb blonde ain't nobody's fool."

A Journey Through the Life and Legacy of Aretha Franklin

Wednesday, July 26th 6:30pm (CWC House) \$75 pp

Composer/Producer EDWARD BARNES explores the life, craft, and innovative vocal styles of one of the most legendary and iconic singers in American popular music: Aretha Franklin. From her childhood days as the prodigal daughter of a renowned Baptist preacher in Detroit, through her early work as a Gospel and jazz singer, then rising up to become the multi award-winning powerhouse and "Queen of Soul", Edward uses vintage video and audio clips, projected imagery, and piano demos to detail the story and talents of this great and deeply spiritual musical lady. Interwoven with her story is a look at the musical components of Gospel and Soul, as well as an understanding of how Aretha explored and expanded the vocabulary of her field and made musical history with her recordings and performances. Discover why her singular voice, which mesmerized congregations when she was seven and brought tears to the eyes of US Presidents when she was 73, remains one of the most profound and resonate today.
